

# MAHABARAT

The Mahabharata is a monumental Sanskrit epic of ancient India, traditionally attributed to the sage Vyasa. It tells the story of a great war between two royal families—the Pandavas and the Kauravas—for the throne of Hastinapura. But beyond a war story, it is a deep philosophical, spiritual, and moral text.

## Chapter Name

1. Adi parva

4. Virata parva
5. Udyoga Parva
6. Bhishma Parva
7. Drona Parva
8. Karna Parva
9. Shalya Parva
10. Saptika Parva

---

## Discription

### chapter 1

### Adi parva

#### ■ Introduction and Foundation:

The Adi Parva sets the stage for the epic by introducing the key characters and their relationships, particularly the complex family dynamics of the Kuru clan

- **Narration of the Epic:**

The parva begins with Ugrasrava Sauti, a storyteller, recounting the epic to a gathering of sages in the Naimisha forest. He explains how the Mahabharata was composed by Vyasa and narrates its origins.

- **Key Ancestral Stories:**

It delves into the history of the Kuru dynasty, recounting the stories of important figures like King Bharata, Shantanu, and Bhishma

- **Birth of Pandavas and Kauravas:**

The parva describes the births of the five Pandava brothers and the one hundred Kaurava brothers, highlighting the lineage and their early lives.

---

## **chapter 2**

### **Sabha parva**

- **Building the Sabha:**

The parva begins with the description of the grand assembly hall built by Maya Danava for the Pandavas at Indraprastha.

- **Yudhishtira's Rajasuya Yajna:**

This ritual, signifying Yudhishtira's sovereignty, is a central event, showcasing the Pandavas' growing power and influence.

- **The Dice Game:**

The Sabha Parva also details the tragic gambling match where Yudhishtira, succumbing to temptation, loses everything to Shakuni, leading to the infamous disrobing of Draupadi.

- **Principles of Governance:**

The book includes discussions on effective administration, emphasizing the need for virtuous and prosperous governance
